HOW TO USE LONG DISTANCE

Out-of-town calls are easy to make. There are three simple things to do:

Give your Long Distance Operator—

First: The name of the town or city you are calling.

Second: Either, the telephone number or the name and street address you want to reach.

On Station-to-Station calls, say "Anyone there will do."

On Person-to-Person calls, give the name of the particular person with whom you wish to speak (or specify the department).

Third: When the operator asks for it, give her your own telephone number.

STATION-TO-STATION ("Anyone") CALLS

These connections are usually made faster and cost less than Person-to-Person calls.

On Station-to-Station calls, give "Long Distance" only the place and number you want to reach. In calling a firm, do not specify that you wish to speak with a particular person, P.B.X. local, office, department or branch served by that number. If you do, the Person-to-Person rate applies.

Station-to-Station charges begin when "anyone" answers at the called number.

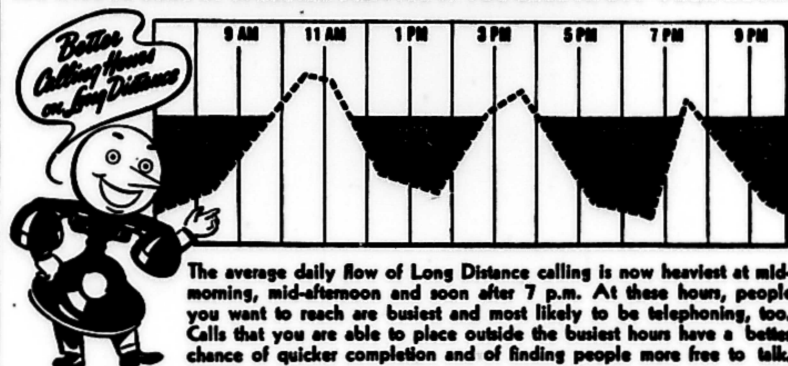

PERSON-TO-PERSON CALLS

This is the service to use when you must speak with a particular person.

On Person-to-Person calls, give "Long Distance" the name of the place and the person you want to reach, together with the distant telephone number or street address, if you know them. You may indicate a desire to be connected with a particular P.B.X. local, an office, department or branch where that person is situated.

Person-to-Person charges begin when the specified person, P.B.X. local, office, department or branch answers.

YOU WILL BE SURE OF SPEEDIER SERVICE IF YOU CALL IN OFF-PEAK HOURS

See inside back cover for Long Distance rates from Brampton.

GENERAL INFORMATION

BUSINESS TRANSACTIONS

All matters relating to new telephone service, moves, renewals, termination of service, directory listings, directory advertising, adjustment of accounts, collection of bills, etc., are handled at the Business Office of the Company.

IDENTIFICATION OF EMPLOYEES

Employees of the Company whose duties require them to enter the premises of subscribers or others, wear a numbered badge bearing the name of the Company or carry a card of identification from the Manager. Any person claiming to be an employee of the Company, who without this badge or card should be refused admission and the Manager notified at once by telephone.

INTERFERENCE WITH APPARATUS

A subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus leased from this Company, or make attachments thereto.

DIRECTORIES

The Telephone Company assumes no liability on account of errors in or omissions from its directories. Telephone directories are and remain the property of the Company. They are printed for the exclusive use of the Company's patrons and are loaned to its subscribers. All persons are cautioned against reproducing their contents.

No directory binders or holders may be used except as provided by the Company, and no advertising labels or stickers may be affixed to directories.

MAGNETO RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interruption of conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to ring is indicated by the number of the letter "T". The first figure following the letter "T" represents the number of long rings, the second figure, the number of short rings. For example, T 24, give two long rings followed by four short rings. Do not press the push button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push button while ringing.

When conversation is finished, replace receiver and give one quick ring off. Do not press push button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Business Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the City of Montreal, Quebec, or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

Please . . .

**have the right number
speak clearly into telephone
answer promptly when bell rings**

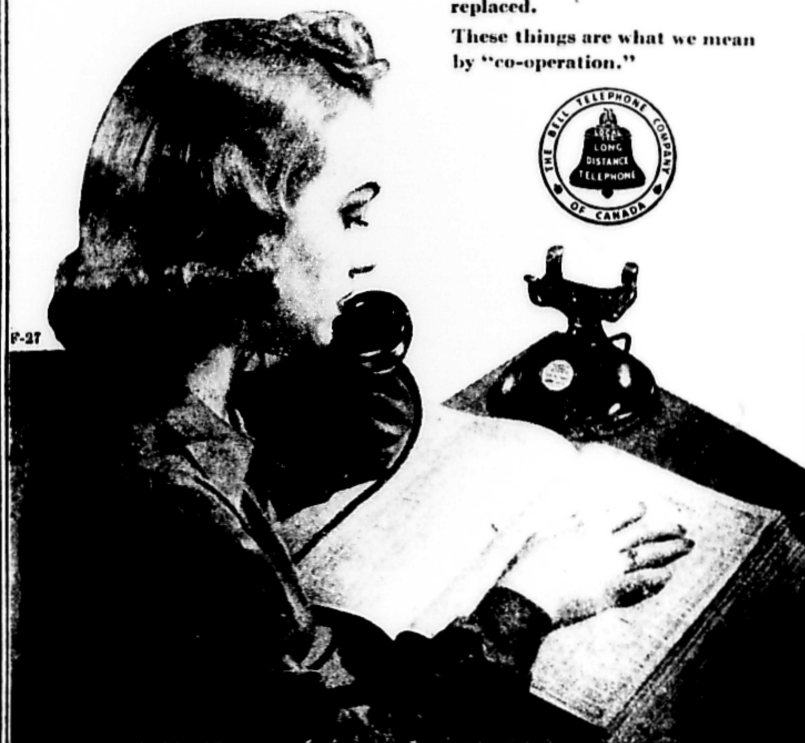

CANADA'S telephone traffic is climbing to new peaks! Engaged in all-out war effort Canadians are depending on telephone facilities more than ever. That's why telephone workers are determined to maintain the fastest, most efficient service under all conditions.

They are especially grateful for the sympathetic co-operation of all telephone users. Subscribers can aid in making severely-taxed telephone facilities yield maximum service . . .

- By looking up the number in the directory.
- By speaking distinctly directly into the mouthpiece.
- By answering promptly when the bell rings.

Please be sure, also, to replace the receiver on the hook. Over 120,000 times last year, telephones were reported "out of order" because of receivers left off or improperly replaced.

These things are what we mean by "co-operation."

INITIAL AND OVERTIME RATES—All rates quoted are for a three-minute period, except the 10c rate, which is for five minutes. The overtime rate per minute for all calls is approximately 1-3 of the Station-to-Station rate for the initial 3-minute period.

NIGHT AND SUNDAY RATES—Low night rates are in effect from 7 p.m. to 4.30 a.m. weekdays and all day Sunday (except to nearby points) according to the time in effect at the centre where the call originates.

WHEN YOU NEED TO KNOW THE CHARGES—Long Distance users who need to know, as quickly as possible, how much their calls have cost, should tell the Operator at the time they place them. This ensures a prompt report by the Operator. Such requests should be made only when the information is essential.

REVERSAL OF CHARGES—Charges on Long Distance calls may be reversed—that is, charged to the telephone you are calling. A traveller telephoning home may thus have his calls billed against his own telephone.

DOMINION GOVERNMENT TAX

Long Distance messages for which the charge is 20 cents or more are subject to a Dominion Government tax of fifteen per cent, not exceeding 75 cents for any message.
